made outstanding presentations to a special school, which was conducted at the FBI Academy during the week of April 30, 1973, through May 4, 1973. The contributions of these individuals resulted in a presentation that was most enlightening and clearly one of the high points of this school. Their efforts were extremely well received by all members of the school.

I want you to know how much we appreciate the time and effort devoted to this endeavor and your offer of continuing assistance in similar schools planned for the future.

Sincerely yours,
